Station Udipi. *Dated the* 21st January 1932.

From (Name) Rao Bahadur V.Ramayya Shetty Avl.,
(Designation) President, Taluk Board, Udipi.

To The Secretary to the Government of Madras,
Public Health .. Department.

Through
Sir,
The Surgeon General with the Government of Madras, Madras.

Through
The President, District Board, South Kanara.

Sir,

I have the honour to submit herewith the file of correspondence relating to the claiming of subsidy on behalf of the midwives attached to Kota,[2] Kunjal,[3] Perdur, Udu[4] and Kalpe[5] rural dispensaries for the quarter ending 30-6-1931, received with the endorsement No. Mil Bud., dated 11-1-1932 of the Surgeon General with the Government of Madras. It will be seen from the correspondence that the

(Not need)

LSB/30/

P.T.O.

delay in claiming the subsidy by my Taluk Board was beyond its control. I request that in the circumstances explained in my letter R.O.C. 1345/31, dated 21-12-1931to the Surgeon General, the government may be pleased to sanction as a -- special case the subsidy of the midwives for the quarter ending 30-6-1931. As instructed in his above endorsement I am sending separately to the Surgeon General the vouchers in respect of the quarter ending 30-9-1931.

2. In this connection, I may be permitted to state that considerable inconvenience is experienced to -- get from the District Medical Officer,South Kanara, the -- certificates of character and qualification in respect of the midwives. This is more evident from the fact that the certificates of some of the midwives have not been received by me till today though applied for in the month of November 1931. In some of the certificates issued by the -- District Medical officer,South Kanara, mention has been made only about the work of the midwife and not about her character. Consequently, certificates not containing requisite information, have to be returned to the District Medical Officer for supplying the omission,which means a waste of time.

3. It is now nearly ten months that the midwives are not paid their subsidy, and I leave to Government to realize the hardships the midwives have to undergo due to the non-payment of the subsidy. It may perhaps be a known fact also that qualified midwives,either I class or II class whether registered or unregistered, are not available for appointment, so much so, the regular dispensary at Shirva and the rural dispensaries at Perdur and Kokkarne are -- without midwives now. The District Medical officer, South Kanara, whom I consulted in the matter says there are no candidates. When such is the difficulty to secure the -- midwives, I do not think it reasonable to delay the payment of the subsidy of the midwives merely for want of --

certificates of character and qualification from the District Medical officer. If the Government think it necessary, I am of opinion that certificates of the kind submitted by the Medical Practitioners (under whose control the midwives are working), are sufficient for the payment of the subsidy. After all, the certificates issued by the District Medical Officer, South Kanara, are based generally on those sent by the Medical Practitioners. I therefore request that the Government may be pleased to accord sanction for the payment of the subsidy on the support of the certificates granted by the Medical Practitioners. I solicit the orders of the Government at a very early date.

I have etc.,

(sd) H.Ramayya Shetty
President.

Copy submitted direct to Government in order to save the delay. The original copy has been submitted through the proper channel.

R.No. 70 Budget.

Station Madras, *Dated the* 25th. February, 1932.

From (Name) Major-General C.A. Sprawson, C.I.E., V.H.S., I.M.S.,
(Designation) Surgeon-General with the Govt. of Madras.

To The Secretary to the Government of Madras,
Local Self Government (Public Health) Department.

Sir,

F o r w a r d e d.

2. The District Medical Officer, South Kanara, who was referred to on the matter, states that the rural dispensaries are situated in places, where there is no daily postal delivery, but only weekly postal deliveries, and so a good deal of delay is caused in corresponding with the Medical Officers in charge of rural dispensaries to get the necessary information for granting the certificates. Delays of this nature will not occur in future as certificates of the District Medical Officers for claiming the midwives' subsidies have been dispensed with

with G.O. no. 174 P.H. dated 25-1-32. The arrear subsidy now claimed may therefore be sanctioned as a special case.
